EAST WINDSOR HIGH SCHOOL
EAST WINDSOR, CONNECTICUT

The class of 1978 leaves EWHS with many fond memories. But, before our final departure date comes, we would like to extend great thanks to the people who have helped us along the way in forming some of our memories. Their patience, guidance, and understanding helped us to "make it through" our years at EWHS. Without their help we could not have successfully managed our many, many activities. They have given us their time, wisdom and kindness to help us become better persons. They have made us a little more prepared for next year and the years to come. Mr. and Mrs. Cezus, our class advisors, thank you!!

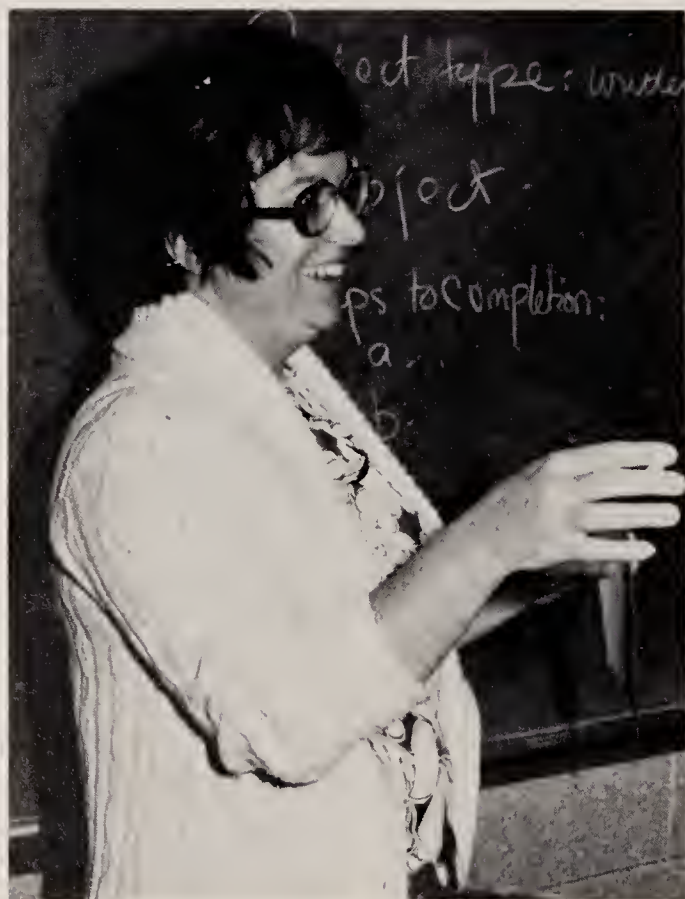

Our class cannot overlook another person who has aided us throughout the years. Mr. Lelievre, you have guided us — through your caring sense of humor. We thank you, for your time and effort in making our years a little more memorable and enjoyable!

The class of 1978 expresses thanks to the E.W. Board of Education for granting their permission for our many activities.

The yearbook staff of the class of 1978 would like to thank Mr. Gagliardi for his time and patience in helping us to put this yearbook together. His warm presence in advising helped us to understand a little more about ourselves. Fond good-byes and good luck next year!!

And, good-bye Mr. Pippin. You will be missed by future classes of EWHS. Your dedication and hard work for the past fourteen years will not be forgotten. We wish you much happiness in the years to come.

So here is the 1978 Archive with remembrance to two former classmates, Wally Duby and Stephanie Olisky.

Mr. and Mrs. Cezus
Mr. Lelievre
Mr. Gagliardi
Mr. Pippin
Board of
Education

Good-Bye
and
Thank-you.

The East Windsor High School Hotel

It was in early September of 1974 that we checked into the East Windsor High School Hotel. With our bags in hand, we were quite anxious about our upcoming stay.

Upon entering the Hotel, we met the owners, Mr. Morton and Mr. Saitta. They briefed us on the rules and regulations of the Hotel and quickly showed us to our rooms. An ever-devoted bellboy was assigned to us — Mr. Cezus. He was to make sure everything was always in proper order.

During our first year at the Hotel, our manager was Chris Selby; assistant manager, Sandy Neville; receptionist, Allison Pierce; and bookkeeper, Kim Leveille. In the fall we were invited to the Hotel's special entertainment night, the pep rally. Since we were unsure of what was to be expected of us, we came in last place. To help pay off some of our Hotel expenses we held a car wash in the spring and cleaned up some of the Hotel's limosines.

During our second year, our new manager was Sandy Neville; assistant manager, Pam Dollak; receptionist, Allison Pierce; and bookkeeper, Maureen Ulitsch. Again we attended the annual entertainment night and "exploded" into second place. To raise money, we sold some of the Hotel's stationery. As the Hotel got a little run down, the owners decided to renovate it. Our new Hotel was enlarged and remodeled, making it one of the nicest in the area. At an outing near the end of the year we took our souvenirs of the Hotel, our class rings.

Upon entering our third year at the Hotel our manager was Kathy Couture; assistant manager, Pam Dollak; receptionist, Chris Selby; and bookkeeper, Maureen Ulitsch. We finally received our time release privileges which gave us the freedom to go from room to room, to the lobby, or occasionally sneak out of the Hotel when the owners weren't looking. At the big entertainment night, we were "crowned" with second place again. In the spring everyone got dressed up for a grand evening — the Junior Prom Music was provided by the East Coast Revival. Everyone thought that Chris Selby was the loveliest lady that evening, along with Maureen Ulitsch, Sandy Neville, Kathy Couture and Tammy Murray. Early the next morning, we all took some hotel towels and headed for the beach.

Before we knew it, we entered our fourth and final year. Kathy Couture once again was our manager; Ron Webster, assistant manager; Patrice Russell, receptionist; and Ann Catino, bookkeeper. In early fall, we received our senior privileges which allowed us to sneak into our hotel rooms a little late and leave a little early. We collected the old magazines from the hotel lobby and sold them in our very successful magazine drive. Finally, at the annual entertainment night we proved that we were really "number one" by sharing first place. Many of us attended the Senior Banquet held at the hotel and had a fantastic time.

Yes, it's been four years since we first came to the E.W.H.S. Hotel. We've met so many people and have finally gotten used to the room service food. We've enjoyed our stay but we must now pack our bags and move on. Our time has come to check out.

Class Song

ON THE ROAD TO FIND OUT

Cat Stevens

Well I left my happy home to see what I could find out,
I left my folks and friends with the aim to clear my mind out
Well I hit the rowdy road, and many kinds I met there
Many stories told to me on the way to get there, ooh
So on and on I go, the seconds tick and time out,
There's so much left to know and I'm on the road to find out ooh.
Well in the end I'll know, but on the way I wander through descending
snow, and through the frost and thunder
I listen to the wind come howl, telling me I have to hurry
I listen to the robins song saying not to worry, ooh.
So on and on I go, the seconds tick the time out
There's so much left to know and I'm on the road to find out, ooh.
Then I found myself alone, hoping someone would miss me.
Thinking about my home, and the last women to kiss me, kiss me
But sometimes you have to moan when nothing seems to suit you;
but nevertheless you know you're locked towards the future, ooh
Then I found my head one day, when I wasn't even trying,
And here I have to say cause there's no use in lying, lying
Yes the answer lies within so why not take a look now,
Kick out the devil's sin, pick up, pick up a good book now
Yes the answer lies within so why not take a look now
Kick out the devil's sin, pick up, pick up a good book now
Yes the answer lies within so why not take a look now
Kick out the devil's sin pick up, pick up a good book now.

A MESSAGE TO THE GRADUATES

Congratulations! You have reached a significant step in your education. Education is on-going and throughout your future lives you will continually be in the learning process.

Your parents undoubtedly have been your greatest source of information, having given you the best they have and with sincerity second to none. Always thinking of your best interests.

Your teachers have been the experts in the subjects they have taught you. Their knowledge credentials and sincerity have been weighed by your school board. Also always looking out for your best interests.

In the market place it's a different story. YOU will be more or less on your own. It is YOU that must seek out the most knowledgeable, the best qualified and the most sincere. We at Swede's continually strive to be the best Diamond merchant you will meet. For the past thirty years our Diamond expertise has been acquired through on-going studies with the Gemological Institute of America. We have credentials attesting to our knowledge and qualifications, our sincerity we regard as our most cherished asset.

Knowing diamonds eliminates guesswork in buying. If you wish to have us share our knowledge of diamonds with you, we will be most grateful. The most up-to-date machinery, instruments and expertise are available to you. You will then be the one in the market place knowing the factors that determine Value, your friends and suppliers alike will respect your knowledge
